Potpourri:

How does a vending machine know that the coin you inserted is the correct value and not a slug? It's equipped with a device that not only measures the diameter and thickness of your coin, but checks its weight, alloy composition and magnetic properties. If the coin is the proper weight, it's allowed to proceed down the chute. Then, if too big, it gets stuck – until you hit the coin return. If it's too small, it falls through to the coin return. If the iron content is too high, a magnet grabs it. And finally, if its size and weight are accurate, it will accumulate enough speed to successfully jump over a rejecter pin. How do they do all that?

REMEMBER TO BRING A GUEST TO THE MEETING IT WILL BE VERY REWARDING!

Last weeks (April 3rd) program:

Caterina Gregor Blitzer held a discussion in regards to literacy and further how it related to the economy here in Indiana, which she said is moving to a more service economy/workforce rather than manufacturing. Caterina also talked about the importance of teaching other languages to our kindergarten and up. Because Indiana does so much exporting and importing with other countries why would we not want to be teaching our children the languages that they will need to be more productive in the future?

Prospect Mailing List:

We made good progress and trust that others will also take time to go over the list and let me know of any additions, deletions or corrections that need to be made.

I still need your help! ☹️

Those of you that have not reviewed the list and submitted your corrections, changes, deletions and additions need to do so soon.

Why Join Your Local Rotary Club?

Professional Networking

A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of the community's owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfillment that comes from giving back to the community.

International Awareness

With more than 32,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Literacy Four Way Test: 😊

Does Literacy stimulate TRUTH?
 Does Literacy stimulate FAIRNESS to all concerned?
 Will Literacy BUILD GOODWILL and BETTER FRIENDSHIPS?
 Will Literacy be BENEFICIAL to all concerned?

THE FOUR WAY TEST:

Is it the TRUTH?
Is it FAIR to all concerned?
Will it BUILD GOODWILL and BETTER FRIENDSHIPS?
Will it be BENEFICIAL to all concerned?
