**REMEMBER TO BRING A GUEST TO THE MEETING IT WILL BE VERY REWARDING!**

Last weeks program was our Club Assembly.

We talked about the prospect mailing that we are going to be sending out yet this month. After several ideas the following steps were agreed upon.

1. Send the mailing out in small groups rather than one complete mailing.
2. Post the listing of the ones that have been mailed on the bulletin board at the meetings.
3. Members are to review the list and if their name is on the list with any of the prospects they need to perform a follow-up. If there are no member names than the other members are to choose prospects to call.
4. It was suggested that we make the follow-up as personal as possible. This may be in the form of a phone call, a personal letter, an invite to lunch / breakfast or a visit to their business or home. You may choose to go as a group.

I also reminded the members that wanted to keep the club going, now is the time to put your efforts to work. This might mean adjusting your priorities a bit to make the contacts that are necessary, if we are going to get anything accomplished.

**Literacy Four Way Test:** 😊

- Does Literacy stimulate TRUTH?
- Does Literacy stimulate FAIRNESS to all concerned?
- Will Literacy BUILD GOODWILL and BETTER FRIENDSHIPS?
- Will Literacy be BENEFICIAL to all concerned?

**THE FOUR WAY TEST:**  
 Is it the TRUTH?  
 Is it FAIR to all concerned?  
 Will it BUILD GOODWILL and BETTER FRIENDSHIPS?  
 Will it be BENEFICIAL to all concerned?
