“Professionals meeting Professionals, where Knowledge and Numbers together, can make Wayne County more Literate.”

Tim Scales, Director, Center for Entrepreneurship and Center for Economic Education gave the members a great talk about his trip to India. He worked with university students at a University that he was a guest of. The service and hospitality was first class. They treated him like he was the most important person there. The study habits of the students amazed him. Tim would do lectures that would last up to 6 hours. He indicated that the most challenging event was the food. He will not miss it at all. However, the treatment he received from the local hosts at their homes more than made up for the food. He discovered that the younger population of India is more literate than their counterparts in America.

He really enjoyed India and if not for his obligations here at home would have stayed in India for a longer time.

Tim Loyd was welcomed into the membership of the Richmond Rotary Club at last weeks meeting. President Larry performed the presentation and fellow Rotarian Joe Kaiser, on behalf of Tim's Sponsor, Pat James, gave a welcoming hand and presented him his membership packet along with his Rotary pin. Tim commented on his appreciation of being a member and is looking in sharing his abilities with the other members in doing the work of Rotary.

Welcome Aboard Tim!

Our goals are:

The Scholarship Program - Wayne County Reads Program - Teacher Appreciation - Quiz Bowl - Free Dictionary to Elementary School Children.

We need to keep our fund raising projects going.
Please volunteer to assist.

THE FOUR WAY TEST:
